What our customers say

We chose this tour knowing the bride's passion for horses. We couldn't have found better! The riding school is surrounded by nature and hills, the owners were very kind and after explaining the program to us, they guided us on a ride in the hills!

Michela R.

Claudia was very helpful and attentive in organizing my horseback riding experience with lunch in Alta Langa. Very short response times and promptness in solving any unforeseen issues that arose. I highly recommend!!

Valentina

Thanks to Claudia and her kindness and professionalism, we were able to organize a perfect hen party! In the splendid setting of the Langhe, a horseback ride, picnic among the vineyards and games for the bride!
THANK YOU!

Martha

Beautiful horseback excursion, with the owner of the equestrian center very knowledgeable both on the landscapes and on his horses who were very good. After the horseback ride we went to a nearby restaurant where we ate well and very abundantly!

SLOWDAYS

I would like to know all the locations in advance

I'm sorry but that's not possible.

We are not a portal that promotes other structures or activities, but we organize ourselves based on your interests and the availability of the suppliers.

We spend a lot of our time testing the quality of the experiences and we think we know the different local realities inside out. We think that, if you decide to rely on us, you do it to have an experience completely organized by a local and to not have to think about anything.

Of course we know that many prefer DIY and we think it is still a good way to travel, but different from what we propose, who want to be discreet in "organizing your DIY perfectly". So at least leave us the pleasure of surprising you!

Check out our reviews to understand how we work!

How can I book?

To book, simply click on the "Info and bookings" button above or below and answer the questions.

Once we receive your request, we will start working to check availability and we will reply to you as soon as possible. Once we have confirmed availability, you can then proceed with payment via bank transfer, credit card or Satispay.

Remember: you are not buying a ready-made tour, but you are asking for our advice to organize it!

F.A.Q.

I would like to speak to someone on the phone. Is that possible?

Slowdays has decided to communicate only via email.

Over time, we have understood that it is the only way for us to give correct and fast answers to various doubts and requests. If you are interested in learning more, you can find our reasons here.

So send your request now to claudia@slowdays.it or fill out the form on the product to get in touch with us!

Then if necessary, we can talk but we will evaluate it later!

I want to give a tour/experience as a gift: how do I do it?

How do our gift vouchers work? Our SlowBoxes!

Buy them now and they last a year! You can buy the voucher by clicking on the button above or below "Buy or Gift" and choose whether to send the voucher to the recipient or receive it yourself!

The date is up to the recipient of your gift! Just contact us once you have decided on the date and we will check availability.

Our gift experiences are all independent and private, not in groups, and therefore there are no predefined dates: they can be experienced both during the week and on weekends.

And what if your choice doesn't please you? No problem, the recipient can exchange the voucher for another experience of equal value.
